Send Mail Bids to them or to Geo. E. Martin, representing the Breeders Gazette. Address them the week of the Sale at Stockyards Inn, Chicago, Ill.

N CATALOGING this outstanding lot of cattle we feel that on account of their medium condition their true value may not be appreciated, and it is with reluctance that we offer them for sale as they are of the class we want to keep, but they were bought with this sale in view and we feel that we are depriving ourselves of the cream of the importation when we catalog all of the cattle that are in reasonably good condition. True, they are not in high flesh, but they are in good condition. Hardly an animal in the lot ever saw grain; almost all of them were wintered on turnips and straw, others had a little hay but no grain, and with the severe trip have put on but very little since they left the other side, as the trip was a long and hard one.

We feel that we had the inside on the best herds in Britain and not a few exporters were refused cattle from these herds which we purchased from. In buying cattle from that country it is not a case of what you want but of what they will let you have, but we feel fortunate in having a standing with these breeders and in more than one case we were able to secure the best cattle at prices which had been turned down, and it is generally conceded that this is the best lot for the number that ever left the country. Several breeders in Great Britain made us tempting offers on special individuals—particularly the Edjcote cattle. They were the best collection of Missie's in the country and we were the first buyers to get a price on a Missie for several years.

Those who are in a position to know tell us that we are making a mistake not to keep the cattle till they are in sale condition, but we are not in a position to do so conveniently; and what is the use since they are in as good condition as they ought to be and as good as the breeder wants them, altho we know they would bring more money if fatter.

These cattle were selected with a view of the results they might produce in a breeding herd. Almost every one of them is perfect in conformation and general outline and the pedigrees are good, altho this was a secondary idea.

All the females seem to be in calf except the yearlings; only a few of them were bred before leaving, but most of them are bred now and seem to be settling in calf.

We extend a cordial invitation to you to come to this sale and see such cattle as we have described and cattle that will prove moneymakers for the buyers.

Guarantee: All females of breeding age are bred and those having passed over six weeks are guaranteed breeders.

English certificates of registry will be furnished with each lot sold, but we will leave it to the purchaser to record them in the American book, as there are so many young animals that might die or not prove breeders, consequently the \$100.00 fee would be lost, and we ask you to buy them this much cheaper and pay it to the Association when you want to have the American certificate of Registry. All other fees have been paid. It is also well to note that if these animals are exhibited at a State or National show and win a ribbon within twelve months the \$100.00 fee will be refunded. All calves sold with their dams we exempt the \$100.00 importation fee.

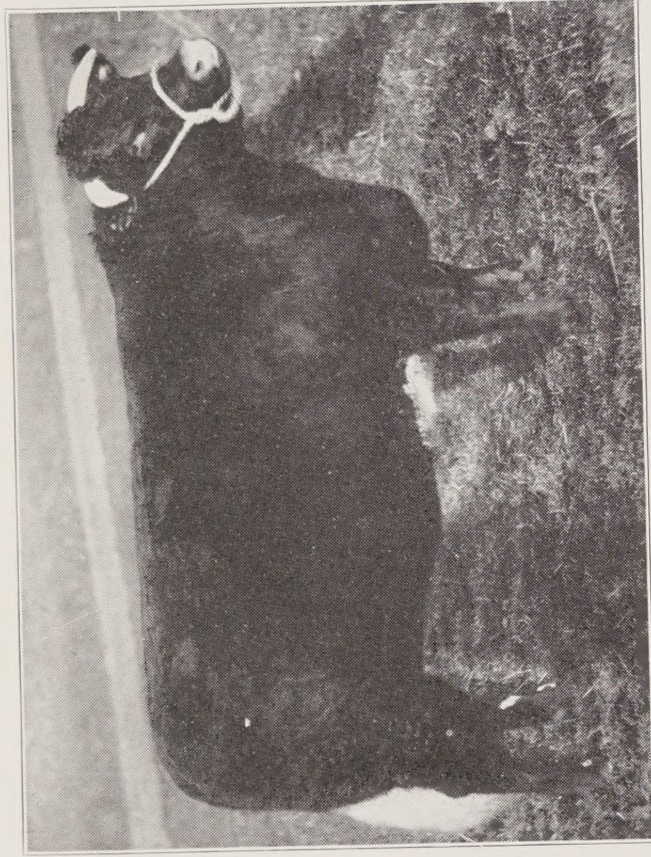

All stock will be cared for and shipped to you free. We assume all risk and should the animals meet with accident, die from sickness, be rendered useless or fail to pass the Tuberculin test within two months, we will refund the purchase price. You are taking no risk in buying from us. We are in the business to help you and ask you to make it your business to help us.

Terms cash or six months credit at six per cent interest.

Very respectfully,

CARPENTER & ROSS.

IMP. BRANDSBY'S JINNY 18TH - No. 42

IMP. BRANDSBY'S JINNY 19TH - No. 43

In compiling this catalog we do not find it convenient to use illustrations as many of them were made in England and have not come to hand; others were made in quarantine under poor conditions and bad light so that we have concluded not to use any, but the cattle will speak for themselves and we ask those inspecting them to pay special attention to the outline and general character of the lot. We know that better condition would help much with the average judge but they are in as good condition as a good judge would like to have them. They are of the class that we have produced the winners from and it is interesting to note that the Maxwalton herd has produced more than any other even at the International. Cattle of our breeding have been in the lead for years and have stood first, second, third and fourth against all comers. Some of them were cattle we had sold and we are selling such cattle now, only many of them need to be put in the condition. In bidding on these cattle do not feel that you are taking any chance. All are good and we can vouch for every one of them.

Yours truly,

CARPENTER & ROSS.

**EARL MARSHALL** is of the well known Queen of Rothies family that has produced more of the top bulls sold by Wm. Duthie than any other family in recent years. They have also been good producers in the Lord Loverty herd and produced many of his bulls that won so often at Perth and Birmingham. Brave Marquis, his sire, is from the same dam as Old Lancaster, conceded the best stock bull owned in Canada for a decade.

**EARL MARSHALL** won his class at Aberdeen and was Reserve grand champion of the Show. He is a large sappy roan with excellent head—very much of the AVONDALE type; he has fell off somewhat in condition but will always be a good one and will have to be reckoned in the Show Ring.

SIR CHRISTOPHER is one of the thickest and lowest bulls that we saw during our recent trip to Scotland. His sire, Cupbearer Collynie was sold as a calf at the Duthie sale in 1912 for \$10,000, having been at that time the highest priced calf of the breed. Four calves by him sold in the recent Perth sale for an average of over \$5,000 each; he is of the Princess Royal family and every sire in the pedigree is a good one.

We would like to keep this bull for service as we believe there is a great future in him as a sire.

BAPTON MARINER was the choice of his year in the "Bapton" herd. He is a beautiful roan; is in but medium condition but is an improver. He belongs to the "Maud Mary" family and descends from same herd as the "Primrose" family that produced Whitehall Sultan. They are of very old Scotch breeding and have come thru herds where nothing but the best have been kept. Every bull in the pedigree has had a reputation in the Show Ring.

GOLDEN CHANCELLOR—a very nice dark roan—is from one of the best cows in the Durno herd, conceded to be one of the best in Scotland. We offered a very large price for this calf last summer, considering him one of the best calves we had seen; he was well up in his class at Perth. We purchased this calf considering him a great prospect for a herd bull; he has been doing well and is a comer. He belongs to the well known Clipper family; his sire, grandsire and great-grandsire are three of the best known bulls in Scotland—in fact every bull in the pedigree is a bull of note. This will make some one an outstanding herd bull as well as a bull that will be hard to equal in the Show Ring.

BOLD CLIPPER is a very attractive roan, has a beautiful head and general outline. His breeding is of the best, his sire being one of the most noted bulls in Scotland at the present time. Every bull in the pedigree is a good one, and the herds the female line of pedigrees have come thru have all been high-class and nothing but the best have been used or considered. We predict a great future for this calf; he was weaned young but is a first-class individual and the breeding cannot be beat.

MAXWALTON GLADIATOR is a beautiful dark roan—one of the best bulls ever produced at "Maxwalton." He won 4th at last year's INTERNATIONAL but we had been holding him back as a calf expecting to make a Show bull of him at a later date. He is developing splendidly and we have no hesitation in saying he is one of the best bulls we know of.

This is a thick red chunk. Was the best bull calf at Tillygreig and his mother is perhaps the best cow in that herd. Her advanced age prevented us from bringing her along. This is a calf that can be relied on to make a sire.

LATTON MISSIE 6th is generally considered to be the best cow in the Edgcote herd, which is considered the very best in England. This cow is somewhat reduced in condition but has an excellent roan heifer calf at foot which shows that she is an excellent milker, and is mother of some of the best cattle in this noted herd. Her last calf sold for over \$3,000 to head the herd of J. W. McWilliams of Garbity, generally considered one of the best herds in Scotland. This cow and calf cost a long price and is worth a great deal in any herd. Her present calf is by the 3,000 guinea bull, Earl of Kingston, for which Mr. Duthie offered \$5,000 for the use of him three months.

BRANDSBY'S JINNY 18TH won the second prize at the Nottinghamshire Show, 4th Royal Agricultural Society, Manchester, 3rd at the Scottish National at Odenbro, 2nd at London Smithfield, 1916, where she beat the Nottinghamshire's champion, and the Scottish National Reserve Champion, and was described in the Live Stock Journal as probably the best Shorthorn in the London Show.

BRANDSBY'S ARISTOCRAT 4TH, 114422. Bred by J. M. Strickland, won the 1st prize at Hasingwold and sold in Buenos Ayres, 1916, for \$2,200. His sire, Brandsby's Jolly Jilt, won many prizes including the first champion at Casingwold. His dam, Carrie, gave 8,380 lbs. of milk in 44 weeks from July 15th, 1913 to May 22, 1914, and has bred several well known prize winners. Brandsby's Aristocrat 4th is the sire of many fine animals, including Brandsby's Count 6th, winner of the first and Champion at the Royal show at Manchester and champion at the Nottingham show, 1916. He was sold in Buenos Ayres for £3,000 and since an offer of £4,500 has been refused for him.

BRANDSBY'S COMING STAR 107990 won first in the Royal Agricultural Show at Liverpool; 1st Malton, 1st Gasinwold, 1910; 1st and Coronation challenge cup at Casingwold and 1st London Dairy Show, 1911. His dam, Brandsby's Princess, won second prize Royal at Newcastle, second at Royal at Gloucester; first reserve champion Shorthorn dairy cow and reserve champion best dairy cow of any breed at the Royal at Liverpool; first Great Yorkshire at Leeds, second and reserve champion at the Royal at Norwich, first Yorkshire at Roth-eram, first and reserve Coronation Plate, Casingwold, 1911. First and Coronation Challenge Plate at Casingwold, 1912, and first and Yorkshire at York, 1913. She is the dam of many prize winners and high priced animals and gave 10,331 lbs. of milk in 342 days.

BRANDSBY'S COMING STAR was sold for U. S. A. when 4 years old for £400.

REGAL BROADHOOK 100262, a well known sire, sold for £600.

BRANDSBY'S JINNY 18TH served Nov. 4 th, 1916 by Broadhooks Star 129947.

Bred Nov. 4th to Broadhooks Star.

LADY DOROTHY is in our opinion one of the best Shorthorns that ever left Great Britain. She was generally conceded in England to be the highest priced female that ever came to America. She was junior champion at the Royal in England and grand champion at the International in Chicago; she was described at the International by Judge Pagus as the best Shorthorn in the Show. He said if there had been a grand champion prize to be given for either sex he would certainly have had to award it to this heifer. We might have had her more forward if we had expected to sell her, but we did not consider putting her in offer until we was prevailed upon by the Gazette representative to put her up with Brandsby's Jenny 19th and give the buyer his choice. She is in first-class condition to be brought along for the fall fairs; she is perhaps the sweetest fleshed Shorthorn we have ever had our hands on—is of a beautiful character and worth much as a brood cow as well as a Show heifer.

Bred April 12th to Max Revolution.

REGAL BROADHOOK 100262. A well known sire sold for £400. He is the sire of Brandsby's Coming Star 107990.

BRANDSBY'S JINNY 19TH won 3rd prize at the Nottinghamshire, first and reserve champion best animal under two years at the Scottish National at Edinburgh and second at Smithfield, London, 1916. And is what we consider one of the best Shorthorns that has ever been imported. She is an outstanding individual and we will give the buyer the choice of either her or Lady Dorothy, a heifer who stood first at the Royal and Grand Champion at the International last year. They are a great pair of heifers and either of them may be a winner. We have a preference but did not wish the buyer to feel that we were selfish in keeping the best one. Both heifers will be offered in the ring but only the choice will be sold. We feel content to know that we will have a good one no matter what the buyer's choice may be.

The VINES is a very old Scotch family from the same foundation as the Cruickshank - Orange Blossom. Two of the best cows in the Collynie herd at one time were the VINES.

SHETHIN VINE has a beautiful red heifer calf at foot by Masterstroke, one of the Stock bulls at Collynie. His calves have made the highest average of any bull owned by Mr. Duthie. He was sired by Clipper King which was sold for 2,250 guineas, the highest priced calf of the breed. This is a good cow and will be a valuable addition to any herd, and there is much reputation to be bought with this calf.

ROAN GLOSTER - a sweet typey dark roan. She is an excellent individual and a very good breeder. The Duchess of Gloster is much sought after in Britain and South America. We really do not have them to spare, but we are offering this cow simply to make up our number. She is one of the kind that we would much rather buy than sell. She is well forward in calf which adds much to her value.

CLARE FRAGRANCE is a beautiful dark roan and a very typey individual. She was purchased with the intention of shipping to South America but on account of conditions we have considered it inadvisable to send her. She is of the well known "Campbell" CLARET family, much sought after in Scotland. She is now safe in calf to REVOLUTION and is worth much as a prospect for an outstanding brood cow.

IMP. SLAUGHTER ROSEBUD is from an excellent cow—one of the best in the Brassey herd. She is closely related to the well known bull Villager and is well along in calf to Moonlight, a white bull bred by Sir Walter Scott. We consider him one of the best stock bulls seen in England and predict that the offspring of this mating will be a beautiful roan and of the Show Yard character, as all the calves we have seen from this bull are of that class.

RED DAIRY DUCHESS

(Cow)

Pedigree not forward from England. This is a beautiful red heifer, purchased from Capt. Brassy, the owner of one of the best herds of Scotch Shorthorns in England. This heifer is well along in calf to Moonlight. Due we believe in June. Moonlight is a white bull, one of the best individuals we saw in England and is proving a great sire. He is from the record priced Broadhooks cow Diamond Actress and was bred by Sir Walter Scott. We trust the pedigree will be on hand before Sale day.

## Scotch Collie

The Collie is not only a handsome dog but a great chum and companion as well as useful among stock. We have bred and distributed hundreds to all parts of the country as well as foreign countries. We sell them from \$10.00 upwards when they are ready to ship and always have some good ones on hand.

## English Bob Tail Sheep Dog

We also have several Old English Sheep Dogs. They are sky blue in color and are known in Britain as the Sky Collie. While they are not considered as handsome as the Scotch Collie they are equally as witty and far more hardy. We have several imported dogs and females for sale.

81 females averaged \$12.92  
26 bulls averaged \$16.09
